Membership in the SCFMA

Joining the SCFMA has several benefits for your agency and your technician/mechanics.

Here is what you get with at a low-cost annual membership due:

- Association(s) Webmaster Newsletter full of informative update info, TSB's, recalls and other valuable information that directly affects your day-to-day work.
- Links and information to upcoming training classes
- Membership into one of the finest Fire Mechanic Associations in the nation.
- The ability to ask technical questions to the association via our bulletin board.
- Association training events highlight great venues, training subjects, and sponsored lunches.
- And much more!

Please join today and support your fellow mechanics – Our membership is bolstered by personal references from brothers and sisters in our service. Your membership also supports our parent organization the **California Fire Chiefs Association** with access to the benefits they offer us.
